

Saturday, September 10th South Bank Clean Up Details

- The clean-up is from 8:00 AM - 11:00 AM.
- Meeting place is 816 Crater Ave. between Dallas St. and Ustick Rd. off of Hatch Rd. on the south bank of the river.
- This cleanup requires a lot of walking and the terrain can be rough, steep, slippery or hard to access but is mostly flat. We need a large number of volunteers for this cleanup effort.

We want Operation 9-2-99 to be successful in accomplishing our goals and for our volunteers to enjoy the experience of doing their part to reduce blight and improve our community.
